The City of Seattle has conferred with the U.S. Department of Justice and the Monitor and respectfully requests that the Court extend the deadline for filing the Monitor's Compliance Status Update to March 1, 2022.

The Monitor requested and the parties have consented to additional time, because a continuance of this deadline would permit the Monitoring Team to continue to expand its public engagement efforts, inform the community on assessment findings, and generate community-driven ideas for the next phase of police reform. Gathering feedback from the community will

1 benefit the Monitoring Team as it develops recommendations to the Court regarding next steps
2 under the Consent Decree. The feedback also will inform the Monitoring Team's broader
3 recommendations to the City for how to continue the important work of continuing police reform,
4 implementing best practices, and building public trust.

6 Respectfully submitted,
